Pete, Ian, & Team,

We just wanted to say thank you once again for your generous sponsorship of our annual event where we raise money for childhood cancer research, family & patient support programs, & scholarships. Your support means so much to us and the families. We'd love for you to be able to join us in person at this event some day! We are so thankful for you and your friendship.

With Hope,

THANK YOU.

PS, In case you didn't hear, we were able to raise over \$22K this year after expenses! A HUGE success!
