Thank you for your gift.

My friend,

Thanks to supporters like you, World Central Kitchen has served tens of millions of nourishing meals to people affected by disasters across the world—from hurricanes to wildfires to a global pandemic, our fight to feed the hungry has taken us more places than we ever could have imagined.

At the same time, we continue planting roots in the communities where we work. In Puerto Rico and throughout the Caribbean, our Food Producer Network is helping to build resilient food systems in the face of future disasters — which we know will be increasing due to the dangers of climate change. In Haiti, aspiring chefs are obtaining the skills and confidence they need to elevate their careers in the hospitality industry. Our clean cooking initiatives convert school and home kitchens to clean gas-burning stoves from harmful charcoal and wood.

Your support will help us continue to use the power of food to heal communities and strengthen economies while serving as a beacon of hope for people in times of crisis. We look forward to continuing to work with you to nourish, uplift, and inspire.
